

PRESS RELEASE 22.01.19
queerspace Midsumma Survey 2019

We are proud to introduce you to our new [queerspace Midsumma Survey 2019](#). queerspace is conducting the survey as part of our Midsumma 2019 activities to help provide us with some insight into the services lesbian, gay, bisexual, transgender, intersex, queer and non-binary (LGBTIQ+) people are accessing and/or would like to access in their local area. Midsumma Festival is an annual LGBTIQ festival held across Melbourne for three weeks every January and February.

queerspace provides a safe and supportive space and services aimed at improving the health and wellbeing of the queer and LGBTIQ+ communities across Victoria. queerspace is staffed by queer identified practitioners, counsellors, group facilitators and community engagement workers and located in Carlton with staff available throughout the north-western metropolitan region.

We hope our queerspace Midsumma Survey results will assist us to identify emerging gaps in supports, barriers to accessing key services and will help shape our responses to community needs.

We would really appreciate it if you could promote our online survey in your e-newsletter or in communication to your membership to encourage wide participation. Our survey is currently open until the end of February.

You can find the link to the survey here <https://www.queerspace.org.au/queerspace-midsumma-survey/>
